NEW AMERICAN TIME RECORD

Thunderclap Breaks Long Established Mark for Mile and a Half.

Scores a Grand Victory Over Exterminator and Cudgel in the Annapolis Handicap.

LAUREL, Md., October 11.—Thunderclap, carrying the colors of S. C. Hildreth, and ridden by E. Ambrose, established a new American record for a mile and a half when he beat W. S. Kilmer's Exterminator a head in the Annapolis Handicap at Laurel this afternoon. The winner ran the distance in 2:29⅘, smashing the old mark of 2:30¼, made by Goodrich at Washington Park, Chicago, on July 16, 1898. The field for the Annapolis, which had $7,500 added, comprised Cudgel, Exterminator, Thunderclap, Midway and Fairy Wand. Cudgel was the popular favorite, with Exterminator next in esteem, while Thunderclap was the extreme outsider. The speedy Fairy Wand set a terrific early pace, but was done for at the mile post and then the real racing began. Thunderclap had followed the pacemaker closely from the start and when she was eliminated moved into the lead, gamely held on and successfully resisted the best efforts of Exterminator, the wonderful Kilmer gelding running a remarkable race under his heavy impost. He was gradually wearing the winner down and would have won in a few more strides. The huge crowd present gave the Kilmer representative and his rider a great ovation on their return to the scales. Cudgel ran his usual grand race, but could never get to the leaders.

Royce Rools repeated his success of yesterday and won the mile handicap in the easiest manner possible.

The opener fell to Irish Kiss, which found little or no opposition from King John and Kimpalong, the only other starters.

Old Weldship, fencing in his usual faultless style, won the race through the field in commanding fashion.

Arrah Go On made it a double for S. C. Hildreth when he accounted for the third race. He was easily best and won accordingly.

Wodan furnished a big upset in the sixth race when he failed to finish inside the money, the winner turning up in Wood Violet, which paid $59.70 for $2 in the mutuels.

After Arrah Go On won his owner, S. C. Hildreth, was forced to stand a boost of $705 to retain the horse.

Billy Kelly, J. K. L. Ross' three-year-old, which bled in his work a few days ago, is galloping again and it looks as if he is once more all right, though trainer Bedwell probably will not race the son of Dick Welles for some time. Billy Kelly worked five-eighths on Friday with Sir Barton in 1:02⅘.

Racing secretary Frank Bryan declared off a mile handicap for two-year-olds carded for Monday, and instead the principal offering on that day will be the Columbus Handicap at a mile and an eighth for three-year-olds and over, with $2,500 added.

Paul Connelly has sold to R. F. Carman the horse Grimalkin that has been trained by Carman for Mr. Connelly. Connelly has also sold the three-year-old maiden, Pibroch, to G. W. Forman.

James Butler, who was at Laurel today, announced that at the conclusion of the fall meeting at Empire City many improvements will be made. The entrance will be enlarged, automobile gates added, and the clubhouse remodeled and refurnished and the whole plant given a thorough overhauling.

There is some complaint among the horsemen over the condition of the Laurel track. Several good horses have either gone wrong or showed evidence of soreness after their trials. Purchase is on the shelf. Sir Barton pulled up sore and Luculite is said to have pulled up proppy after his last work-out.

TWO STAKES REMAINING AT LATONIA

Queen City Handicap and Latonia Cup the Closing Week Attractions.

LATONIA, Ky., October 11.—The Queen City Handicap, for two-year-olds, at one mile, and the Latonia Cup, for three-year-olds and over, at two miles and a quarter, are the only remaining stakes to be decided during the present highly successful meeting at the Latonia course. The first-named will be decided on Wednesday, and the latter will be run as a fitting climax to the meeting on Saturday, the closing day. These stakes are well worth winning, and their running will assist in making the closing week the most successful period of the autumn racing season.

The Queen City Handicap attracted no less than 147 nominations, which number embraces practically all of the juveniles that have been making turf history in Kentucky this year; also a number of the cracks that have been performing with credit on the eastern tracks. The contest gives promise of developing into a battle between the western owned juveniles exclusively, it being apparent that few of the eastern eligibles will come here to participate in the race. And it is to be regretted that such sterling performers as Miss Jemima, Cotton Blossom and High Command, all western owned youngsters, which displayed fine form during the spring season in Kentucky, only to be forced on the shelf by minor ailments, will not be seen under colors in this race. Nevertheless, the field this year will bring out a good class of youngsters, including a number that have been slow in coming to hand and which have displayed ability with each succeeding race. Present indications point to a field of twelve being named to start, and figuring on this number the winner will draw down the neat sum of approximately $8,700.

This year's renewal of the Latonia Cup attracted forty-six nominations. The probable starters are Be Frank, winner of the Latonia Derby, and which has been shipped here especially to start in the Cup race; John O., Vulcanite, Minto II., Ellison, Legal, Kingfisher, Polka Dot, Under Fire, Sands of Pleasure, Dark Hill, Ormesdale, Piedra, Prospector and Pastoureau. A field of this size will insure a rattling good contest over the long journey of two miles and a quarter, and in the event of a fast track prevailing next Saturday the track record of 3:50¼, made by Star Jasmine when that horse won the Cup race four years ago, may be equaled if not surpassed. The race last year went to Exterminator, which picked up 121 pounds, and over a heavy track beat Beaverkill, Moscowa, Golding, El Rey and Herald in 4:06⅗. Exterminator's owner drew down $7,700 as a result of the horse's victory. This year's winner will receive approximately $8,700 in addition to a handsome silver trophy.

OVER THERE BRED IN THE PURPLE

SON OF THE EPSOM DERBY AND GRAND PRIX WINNER, SPEARMINT, AND SUMMER GIRL, DAUGHTER OF SUNDRIDGE, SIRE OF SUN BRIAR

(By EXILE)

Just how good a horse was Over There when he finished in a cantering first for the Realization I do not know. Last back end Over There gave a really good performance in his closing act of the season when he finished ahead of the subsequent Kentucky Oaks winner Lillian Shaw. The son of Spearmint, however, met with but varying success this year until Saratoga time came round. On August 19 he beat a rather indifferent band for a mile race and quickly followed this up by defeating Recount and Crank in another race over a mile course. Thunderclap, conceding two pounds, proved too good for him in a mile spin at Belmont Park, and next came the Realization, in which Vexatious was quite unequal to the task of giving him nine pounds actual weight. Thunderclap was once again his master, this time at level weights for the Roslyn Handicap, and next Over There beat War Kiss and Bally, once more racing over the mile distance. King Plaudit beat him, easing up, on the last day of September. From this it would appear that Over There showed his best form on Realization day, for Vexatious was good enough to beat Milkmaid for the Alabama Stakes, although in this race she was in receipt of twelve pounds.

In the defense of Over There it may be said that these Musket horses, as a general thing, improve as they grow older and that staying is their forte and the best of Over There for this reason may not as yet have been seen.

Over There's sire, Spearmint, won the Derby and Grand Prix. I have always understood the One Thousand Guineas winner, Flair, was the stable's preferred for Epsom, but the daughter of St. Frusquin went wrong behind, necessitating a hurried preparation and the substitution of Spearmint, and what an able substitute he was is a matter of turf history. On being sent across to France Spearmint won the Grand Prix in good style, defeating among others Mr. Vanderbilt's champion, Maintenon. Spearmint broke down shortly afterward and raced no more and as a sire has attained to only moderate success. Not by any means a smooth turned horse is Spearmint, something of the cut of a Waler, his best offspring, I suppose, the rather angular gelding Lance Chest, which I saw defeat that equine celebrity Prince Palatine for the Princess of Wales Stakes over the July course at Newmarket. The gigantic Catmint, another son, was not good enough even to obtain a situation in Tagalie's Derby, though he afterward won the Goodwood Cup. Johren was about the best looking of the Spearmints I have seen and must have been a good horse on Saratoga Cup day, for even old Roamer could not make him run, and this, too, in face of the fact that he had only a few days previously reeled off his mile in 1:34⅘.

Carbine I saw in 1896 at the Duke of Portland's Hunciecroft Stud, near Worksop. A rather light colored, straight-necked bay, tremendous driving power, an idle, sluggish horse in his slow paces, but a clinker on the track and up to any weight. His old trainer, Walter Hickenbothan, once told me he did not think the weight, somewhere around 145 pounds, would have prohibited had the colt stood training, a second victory in the two-miles Melbourne Cup.

Summer Girl, dam of Over There, is a daughter of that wonderfully fast horse and July Cup's winner, Sundridge, which all of you know as the sire of Sunstar and Sun Briar. Permission is by Persimmon, the best horse, best at everything, by St. Simon. The pedigree runs on down to Woodcraft, by Voltigeur, dam of the Derby winner, Kingcraft, and Great Tom, and also of Andred, which sired a number of good winners in Italy. I have by no means lost faith in Over There. Well do I know he has met reverses of late, but these Musket horses have a habit of improving as they grow older, and why not Over There? whose double infusion of the Blacklock strain on his dam's side should do much to help him in his race course endeavors next year.

Interest also attaches to Over There's coming career as a sire. This country is only partially supplied with Musket blood and Knight Errant is the sire of that hardy campaigner, Roamer. Horses of wonderful vitality and iron constitution are these Muskets. They wear well and no distance for them is too great and when the time comes, as it undoubtedly is coming, that races of a long distance will become the fashion in the United States, horses carrying the staying blood of Musket will soon become more sought after. Over There is a member of the No. 11 family, and when these No. 11 horses do come good, they are extra good, and this is the family of Birdcatcher, *Australian, Fisherman and St. Simon.

LARGEST CROWD OF THE FALL SEASON

Sees Final Day's Sport at Jamaica—Woodtrap-Albert A. in Spirited Duel.

NEW YORK, N. Y., October 11.—The Continental Handicap, $2,000 added, at one mile and an eighth, and the Consolation Handicap for all ages, were the features for the final day of racing on Long Island. The day's sport was witnessed by the largest crowd of the season. A. K. Macomber's Star Master, after the withdrawal of Audacious, was installed favorite at a prohibitive price over Blairgowrie, the only opposition. The race aroused but little interest, the Star Shoot horse only cantering under strong restraint throughout. Blairgowrie never being able to offer any contention in the racing.

War Note repeated his last out by winning the third race in as hollow fashion as he did in his former victory, racing under a stout pull all the way, Dragon Rock, fancied by many, getting second money in easy style from Don Dodge, which came from far back in the final racing.

Vice-Chairman, from The Beach Stable, and making his debut, was the medium of a heavy plunge in the opening race of the day, but failed to defeat the favorite, St. Allan, which went to the front early and, although hard pressed, gamely withstood the good thing's challenge at the end. Vice-Chairman ran a fine race for a first attempt and doubtless will improve with racing. The Wagoner proved best of the balance.

Woodtrap reversed the order of finish over his last meeting with Albert A. in the second race, the superior riding of Butwell over Weiner being sufficient to warrant equal favoritism at post time. The race was a sensational one, the pair racing head and head for the entire race, the Trap Rock horse proving best at the end. Peerless One had little difficulty in getting the short end of the purse from War Machine, which had no speed at any part of it.

It is rumored that G. W. Loft will make a change of trainers for his stable. George Odom has been spoken of by many for the position.

F. C. Bain returned today after a visit to Kentucky, where his horses are being campaigned.

War Note was claimed by his owner for $2,000; Thunderbird by his owner for $1,625, and Larghetto by Fred Slocum for $1,200.

RENO MEETING PROVES SUCCESSFUL

Waterwood and Chrome the Juvenile Developments of the Meeting—Plans for the Future.

RENO, Nev., October 11.—The popularity with which the thoroughbred is held out west was fully demonstrated during the recent nineteen days' fall meeting of the Reno Jockey Club. With fewer horses, a shortage of riders and a week of cold and rainy weather, the promoters of the meeting won their way through handsomely, despite these obstacles. Inspired by his success, manager W. W. Finn is making an effort to secure a lease on the Reno track, which will permanently establish this city in a chain of the smaller racing plants in the west.

From a horse standpoint there were really but two developments at the meeting. As it happened, they were both two-year-olds. One is Waterwood, a little chestnut colt, by Honeywood—Shasta Water, and the other is Chrome, the first of the get of the horse Sigurd. Chrome's dam is Queencup. Probably the greatest interest in a racing way during the meeting came about with the clashing of these two-year-olds. Waterwood gained the title of champion when he won the Juvenile Stakes, but he was defeated on the closing day of the meeting by Chrome in such a decisive manner that there are those who are of the opinion that the son of Sigurd has an equal future before him.

Waterwood is not a fully developed two-year-old, inasmuch as he is a late foal and has just passed his second milestone. However, the colt has showed every tendency of a development to travel over a long route, and it is possible that his owner, George Wingfield of Nevada, may turn him out at his Nevada Stock Farm until such time as the call for the 1920 spring training. It is further possible that Mr. Wingfield may enter him extensively in all the big eastern stakes.

Sigurd, the sire of Chrome, is a brother to Tiajan. He was bred by Mr. Adolph B. Spreckels at the Napa Stock Farm, and this is really his first opportunity to show his proclivities in the stud. The horse is now standing up in Oregon way, and from a breeding standpoint he represents all the blood developments that made the ranch of Mr. Spreckels nationally famous.

MAD HATTER'S CHAMPIONSHIP

Hildreth's Candidate Easily Best and Wins Off by Himself.

Sway Defeats Stockwell for Second Money—Vast Assemblage Views the Big Race.

LATONIA, Ky., October 11.—Sam C. Hildreth's Mad Hatter, a son of Fair Play—Mad Cap, bred and nominated by August Belmont, chairman of the Jockey Club, showed a muddy pair of heels to six other three-year-olds that disputed with him for supremacy in the struggle to take down the $44,090 net that served as the winner's portion in the inaugural running of the Latonia Championship Stakes over its trying mile and three-quarters distance. J. H. Woodford's Sway, by Vulcain—Ruby Right, and nominated by his present owner, landed second place, amounting to $2,500, and J. S. Hawkins' Stockwell, also nominated by his present owner, landed in third place and took $1,000. War Spirit, by finishing fourth, saved his stake of $360. In addition to the immense stakes the winner received a gold cup of $1,150 value, donated by individual members of the Thoroughbred Horse Association.

Mad Hatter's victory was an easy one, and Fator's management of him was superb. He kept him restrained for a mile and a quarter, and when opportunity presented itself stole into a long lead before the others realized what had happened. The last quarter found Mad Hatter having matters his own way to ultimately win with his rider looking around at the struggle between Sway and Stockwell for second place. In contrast to the riding of Fator was that of Van Dusen on Sway and Pool on Stockwell, who were rather amateurish in their work. Van Dusen particularly showed bad judgment in rushing his mount from last place almost into the lead in a quarter of a mile, and it did not leave him much in reserve for the final challenge. Stockwell also was hauled and taken all over the course in the first mile, and it deprived him of reserve force when it came to the supreme time. War Spirit was well up and disputed mastery in the early racing, but in the final half mile he gave away. Murray lodged a claim of foul against Stockwell, alleging interference by Pool, but the interference had no bearing on the result. The backers of John O. were in high glee in the early running, for that racer showed a fine turn of speed, but after going a mile and a quarter he was done.

Dave J. Leary, representing S. C. Hildreth, and who gave Mad Hatter his final preparation and brought him from Laurel, received the gold cup from Senator J. N. Camden, who made the presentation for the Thoroughbred Horse Association members. Governor James B. Cox of Ohio, Price McKinney, Harry Hukill and Senator Camden witnessed the race as guests of the stewards.

The respective nominators of the first, second and third horses received $1,000, $500 and $250 out of the gross sum of $50,060, the largest amount that has been raced for this year in this country.

FIELD NOT A HIGH-CLASS ONE.

A matter of regret was that there was a conspicuous absence of champion racers worthy of the big money to be battled for. The field that started in the race was lacking in championship class, unless Mad Hatter has been greatly underestimate. His work today was clean cut and decisive, and he may go on improving until he attains rank with the best. Mad Hatter will be shipped to Laurel tomorrow to rejoin the others in the Hildreth stable, and trainer Leary and jockey Fator will also depart tomorrow.

J. M. Goode scored a double during the afternoon with his Words o' Wisdom and Wadsworth's Last, both superb mud runners. Words o' Wisdom's triumph over Opportunity was attended by a big loss, for Opportunity was held in high esteem by the crowd.

Jack Hare Jr. furnished an upset when he accounted for the sprinting handicap serving as a secondary feature. His victory was in easy style and he showed a return of his old time form.

Judging by General Haig's easy victory in the mile and an eighth race he might have been a formidable factor in the big race had he been eligible.

Turf enthusiasts from all parts of the country were on hand and it included many famous sportsmen. They came expressly to witness the running of the Championship Stakes and made plans for departures tonight.

The New Orleans contingent consisting of S. R. Eddy, Jr., B. C. McClellan, Placide Frigerio, Fred Middleton and J. B. Campbell, departed for the Crescent City tonight well satisfied with their visit here.

A steady rain which followed the intermittent showers of last night converted the course into an elliptical lane of mud and the heavy downfall deflected many a racing enthusiast's trend toward the course. Despite the unpropitious conditions and the certainty that the going would be deep, a steady stream of humanity flowed toward Latonia, the early arrivals being noted long before noon. They immediately took up all the vantage seats in the grandstand not reserved. By one o'clock the overflow on the lawns set in and just before the opening race congestion was evident, with late comers still numerous and adding to the big throng.

The different starters splashed through the mud with difficulty. Despite the unfavorable conditions there was wholesome interest in the sport and the big throng put up with discomforts in good natured fashion. The betting pavilion was in a seething jam, many seeking protection from the inclement weather, adding to the congested crowd of bettors. The full battery of mutuel machines was in operation and inadequate to handle the immense speculative wants of those present. The total was almost a record.

RED LETTER DAY FOR S. C. HILDRETH

Saturday was a red letter day for Samuel C. Hildreth. Three of his horses won a total of $50,590, certainly not bad for one day's racing. Mad Hatter won the Latonia Championship Stakes, the net value of which amounted to $44,090; Thunderclap's victory in the Annapolis Handicap at Laurel netted the stable $5,800, and Arrah Go On contributed $700 more.

WILL ENRICH AMERICAN BLOODSTOCK

Sledmere Stud Horses Now in This Country Should Prove of Inestimable Value in the Future.

NEW YORK, N. Y., October 11.—When W. H. Rowe, the Jockey Club registrar, counseled W. R. Coe to purchase the yearling crops of thoroughbreds at the Sledmere Stud of the late Sir Mark Sykes in 1917 he was instrumental in bringing to the United States what by light of results at the recent Doncaster sales is regarded as well-nigh priceless strains of blood.

There were seventeen juveniles in this consignment—five colts and twelve fillies—and while some of them have failed to date to achieve distinction on the turf there is no doubt that they will enrich the American thoroughbred families of the future. Included in the list were the colts Over There, by Spearmint, and Under Fire, by Swynford, and the fillies Herodias, Terentia and Athlone, by The Tetrarch, Cicero and Charles O'Malley respectively, all of which have shown winning form, the former being a good stable winner, while Under Fire has won almost as many races as any three-year-old in training, barring Billy Kelly. It was the first time that the Sledmere yearlings were permitted to leave England, and there was quite an outcry from sportsmen and breeders in general when the sale was announced in the English periodicals.

While prices ruled high for American thoroughbreds at the yearling sales held in Saratoga last August, where Commander J. K. L. Ross paid $25,000 for the English-bred colt by Sunstar—Marion Hood, by Martagon, and W. V. Thraves of Oklahoma gave $24,500 for the purely American-bred youngster by Ultimus—Tsarina, by Kingston. These figures, epoch making as they were for this country, pale into insignificance in comparison with those obtained at Doncaster, where sixteen head, the property of Lady Sykes, sold for a total of 61,300 guineas.

The sale is such an unusual one that it has attracted world-wide attention. The previous record for a yearling was 10,000 guineas, which was paid for the great filly, Sceptre. This was put in the shade by Lord Glanely's bid of 11,500 guineas for the brown colt by Swynford—Blue Tit, by Wild Fowler. Americans have seen a half-brother to this colt in Wigstone, which raced during the past summer in the colors of Commander J. K. L. Ross. A half-brother to Omar Khayyam, by The Tetrarch, offered by the Worksop Manor Stud, brought 8,000 guineas, with a brown colt by Richard Croker's dead sire, Orby—Preponent, by Matchmaker, selling for 6,000 guineas. C. Bower Ismay, who owned Craganour, whose disqualification for the Epsom Derby created a sensation some years ago, gave 5,100 guineas for a colt by Prince Palatine.

During the entire sale no fewer than fourteen colts and fillies commanded more than $25,000 each, while the total for the sale of 230 yearlings was 223,400 guineas, or more than $1,117,500. This is striking evidence of the wealth and influence behind the turf in Great Britain.

The Sledmere sale is so remarkable that the list is herewith given in full:

CURRENT NOTES OF THE TURF

The three-year-old Le Balafre is a one-eyed gelding.

Beginning Monday and for the remainder of the meeting the first race at Laurel will be run each day at 1:45 p. m.

The mother of jockeys Eddie and Willie Dugan died in San Francisco last week. Eddie Dugan has been riding abroad for a number of years.

The La Salle, New York, track is not likely to be built at all. Certainly no work is being done upon the tract selected for the purpose near the Buffalo-Niagara Falls boulevard. A big tractor is on the ground, but it is not being used and there is no sign of any work being done in connection with the proposed course.

ANSWERS TO QUERIES

T. M. H., Niagara Falls, N. Y. Uncle John, chestnut colt, 3, by Aeronaut—Spring Maid, was bred in Canada. He was an entry and starter in the King's Plate at Woodbine this year, which is open only to Canadian-bred horses.

H. R., New York, N. Y. Monday, October 15, 1894, was the last day of open bookmaking with booths and slates under the Ives law on the New York race tracks.

BROWNIE McDAWELL saved much ground on the first two turns and, racing into the lead on the backstretch, kept it easily to the end. SUN GOD was forced wide in the first half and finished fast. COMME CI raced fairly well. PIEDRA ran out on the first two turns, interfering with SUN GOD, and tired in the last quarter. WALTER H. PEARCE was always far back.

EMPIRE SPECIALS

I am in the know of a horse that will go at EMPIRE THIS COMING WEEK. This horse has been receiving a special preparation for this particular race and at present is as fit as hands can make him, though he has not started for quite some time, being kept in storage away from prying eyes. If nothing unforeseen occurs in the meantime the boys expect to duplicate the clean-up of last year with same horse, as he shows a decided liking for this track.

My Terms Are the Winnings of a Twenty-five Dollar Play.

The above proposition is an honest and legitimate one. I would like to be treated accordingly. If interested, wire me your correct name and address at once and I'LL do the rest.
